## The Wet-seal Scope of Works

### Wet-seal's Internal Waterproofing System

*Wet-seal's mission is to provide our clients with a waterproof system that:*

- ✓ *Protects the building to the highest degree from water damage.*
- ✓ *Ensures peace of mind that the relevant building regulations have been adhered to.*
- ✓ *Is fully guaranteed and is the best practice waterproof system available.*

#### **Consultation**

Wet-seal (Franchisee/Applicator) will consult with you regarding the wet area waterproofing work required, thus ensuring it complies with the Building Code of Australia (BCA). Also to ensure all your specific requirements are catered for.

#### **Provide Plans/Drawings**

All measurements for quotation will be based on the plans/drawings you have provided. Any variations to this information are to be communicated in writing to Wet-seal.

#### **Site Preparation Prior to Wet-seal Arrival**

The area to be waterproofed must be clean and dry with no contaminates.

The structural flooring, substrate, wall sheets must be installed in accordance with the Manufacturers specifications (e.g. minimum wood float finish for concrete or sheeting glued/screwed correctly).

Extra noggins to be installed to allow for increased height of waterproofing if laminated sheeting is being installed.

Provide a work site that meets with the relevant Work Health & Safety regulations.

Plumbing fittings correctly fitted. Wet-seal must be able to seal onto base fittings not spindle and into flanges or waste pipes in accordance with AS/3740.

#### **Duty Of Care - Cure Time & Membrane Protection**

Allowing adequate drying time of 48 hours at 25 degrees, allow longer at lower temperatures.

Protect the membrane system from being damaged by others (e.g. Corflute).

If the membrane is not being covered with tiles, vinyl or timber then the Wet-seal membrane must have a suitable approved Wet-seal protective coat applied.

Use adhesives that meet the requirements of AS/4992.2

Tiles to be laid in accordance with AS/3958.1

### **Warranty**

Wet-seal will provide an Installation Certificate in a timely manner to the Client.

The Installation Certificate will state the warranty time and lists the work carried out by the Wet-seal Independent Franchisee in accordance with the Building Code of Australia and relative State requirements.

In the unlikely event of a defect, send an email to [technical@wet-seal.ws](mailto:technical@wet-seal.ws) with your name and contact details or call Wet-seal's Technical Department on 1800 025 081.

Wet-seal will respond with an Information Request Form to be completed and returned.

In relation to the Wet-seal warranty, no rectification work can be carried out without written consent from Wet-seal as this will void warranty.

### **Liability**

If the membrane is damaged at any time, by someone other than the Independent Franchisee of the Wet-seal Franchise System, the Guarantee shall be voided.

No liability whatsoever is accepted for damage – accidental or otherwise – done to the waterproofing membrane after the application of the membrane is completed.

Any damage repairs will be quoted separately and must be accepted in writing prior to the commencement of work.

### **Quotation Variance**

The quoted waterproofing system is specific to the building structure plans provided to Wet-seal at the time of quotation. While many minor variances can be accommodated, changes to the overall available area may require the submission and written approval of an updated quotation.

### **Properly Scheduled Site Visit**

Provide a minimum of seven (7) working days as lead time (allows scheduling to keep project running on time).

Allowance has been made for a single site visit unless otherwise expressly listed in the accompanying quotation. It is the responsibility of the Project Manager and contracting party to ensure that adequate preparations have been made and that the Wet-seal installation team can work unencumbered on site. Any delay or unreasonable interruption may be subject to an additional labor/service fee.

### **Terms and Conditions**

The Scope of Work must also be referenced against Wet-seal's standard terms and conditions. The terms and conditions are available on Wet-seal's website: [www.wet-seal.com.au](http://www.wet-seal.com.au)
